

La Verne Band Boosters Association

Dear Community Partner,

Thank you for taking time to review this request. We at the La Verne Band Booster Association (LVBBA) are seeking your help in raising funds. Your donation will assist Bonita High School Instrumental Music and Color Guard Program to provide needed funds for things such as instruments, uniforms, instruction, music, professional collaboration, music workshops, and much more!

The Bonita High School Instrumental Music and Color Guard Program performs throughout southern California at competitions and festivals. The shows that our groups perform demands many levels of financial support for staffing, design, props, costuming, equipment, transportation, and operational expenses. We are starting this season with a fundraising goal of over \$80,000.

How can you help? We have prepared several packages at different sponsorship levels (on the reverse) or you can make a straight cash donation. Any amount would be fantastic!

The support we receive from our business community and citizens makes a tremendous difference in our ability to provide the talented music students at Bonita High School the opportunity to excel at their craft.

Thank you for your consideration in supporting Bonita High School Instrumental Music and Color Guard Program. The LVBBA is a 501(c)(3) non-profit #20-0014550 organization, and contributions are tax deductible to the extent permitted by law.
